The program in detail

Friday night is all about **networking and enjoying food & drinks**. We will have a **traditional Austrian dinner in 12 Apostel Keller**, where students and alumni get to meet each other. After that, we are going to start the weekend with delicious **cocktails* at “Motto am Fluss”**, overlooking the Danube in a trendy atmosphere.

On Saturday morning it is time to bring out your dancing shoes at **dancing school „Svabek“** with Mr Svabek himself, who is famous for leading the opening ceremony of the famous „Opera Ball“. He will teach us how to perfectly **waltz over the dancefloor** and be prepared for the night. Are you already a dancing pro? No problem, as there will be a beginner as well as an **advanced class**.

The highlight of the CEMS Waltzing Days, the famous **WU Ball at Hofburg**, will take place on Saturday evening. Already dressed-up (ladies: full-length dress, gents: tailcoat, smoking or black suit with black bow tie) we are going to get together for an **aperitiv with drinks & snacks** at Kantine next to the Hofburg Palace.

We will then skip the lines and **enter the WU ball through a secret passageway** exclusively for CEMS, where our own **table in the Zeremoniensaal** is waiting for us. Then it is time to take a step back in time, enjoy the glamorous atmosphere of the WU Ball and waltz the night away...

The program in detail

After a long and unforgettable ball night, the **traditional Viennese Brunch*** on Sunday is going to take place for the second time at the well-known **Café Landtmann**. Known as “the most beautiful Café of Vienna”, it is the perfect atmosphere to end the CEMS Waltzing Days.
