

The CEMS Alumni Association Austria
cordially invites you to
the 16th CEMS Waltzing Days
in Vienna, 11th to 14th January 2018

The CEMS Waltzing Days in Vienna

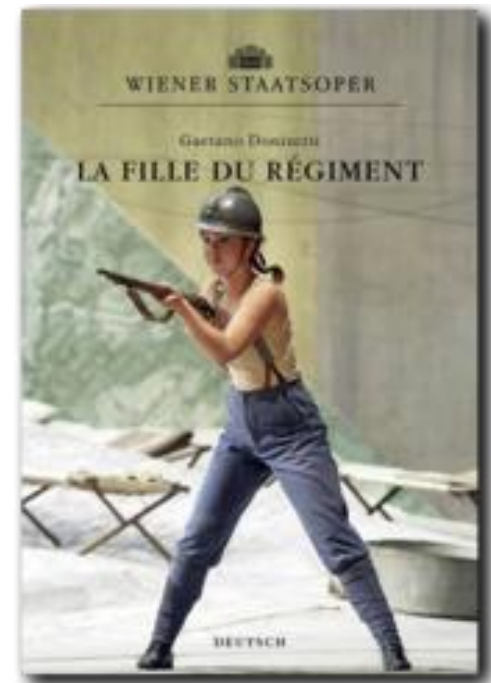

For the 16th consecutive year, the CEMS Alumni Association Austria and the CEMS Club Vienna will host the famous CEMS Waltzing Days, which will take place from **January 11th to 14th 2018**. As always, the highlight of the program will be the elegant **WU Ball** at the **Hofburg Palace of Vienna**. You will have the chance to discover and enjoy the beauties and traditions of Vienna together with fellow CEMS students and alumni.

**Don't miss the most elegant
CEMS events of the year !**

The program in detail: Thursday

The Waltzing Days 2018 will start with a special evening at the famous **Vienna State Opera**. We have **limited number of special prices tickets** available for Thursday, 7:00 pm for “La Fille du Regiment” – Gaetano Donizetti. The opera sells these tickets for 181€!

The program in detail: Friday & Saturday

Friday night is all about **networking and enjoying food & drinks**. We will have a **traditional Austrian dinner in 12 Apostel Keller**, where students and alumni get to meet each other. After that, we are going to start the weekend with delicious **cocktails* at “Motto am Fluss“**, overlooking the Danube in a trendy atmosphere.

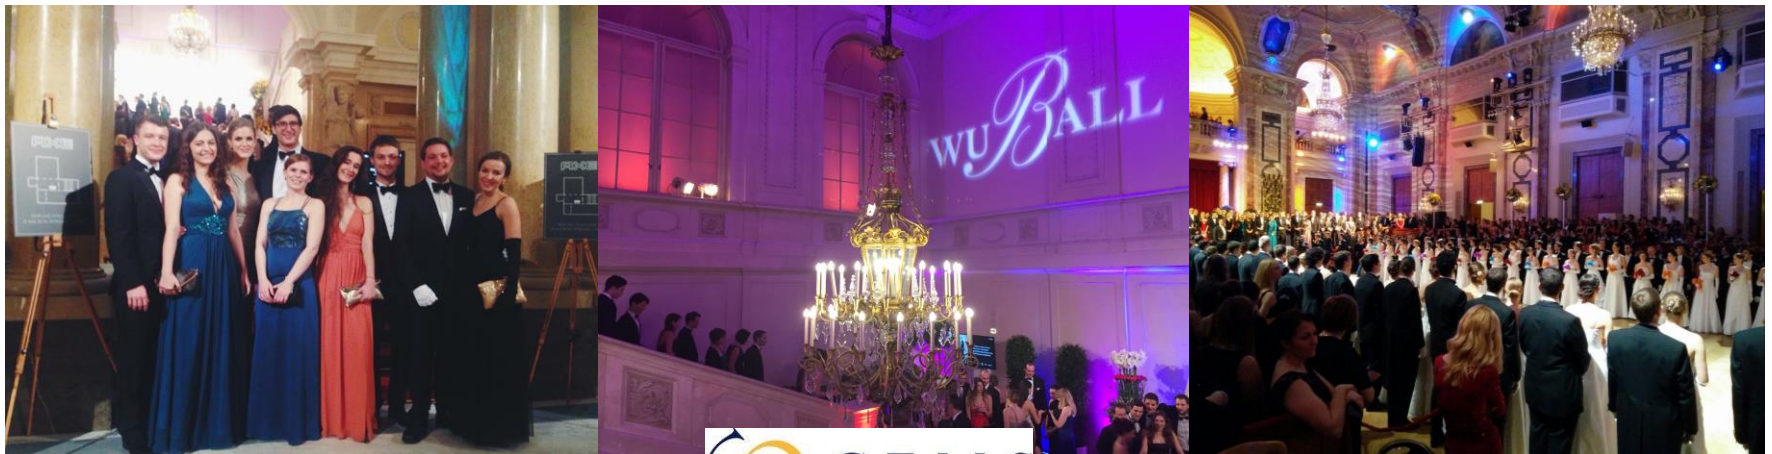

On Saturday morning it is time to bring out your dancing shoes at **dancing school „Elmayer“**, which is famous for leading the opening ceremony of the famous „Philharmonikerball“. We will learn how to perfectly **waltz over the dance floor** and be prepared for the night. Are you already a dancing pro? No problem, as there will be a beginner as well as an **advanced class**.

The program in detail: Saturday

The highlight of the CEMS Waltzing Days, the famous **WU Ball at Hofburg**, will take place on Saturday evening. Already dressed-up (ladies: full-length dress, gents: tailcoat, smoking or black suit with black bow tie) we are going to get together for an **aperitiv with drinks & snacks** at Kantine next to the Hofburg Palace.

We will then skip the lines and **enter the WU ball through a secret passageway** exclusively for CEMS, where our own **table in the Zeremoniensaal** is waiting for us. Then it is time to take a step back in time, enjoy the glamorous atmosphere of the WU Ball and waltz the night away...

The program in detail: Sunday

After a long and unforgettable ball night, the **traditional Viennese Brunch*** on Sunday is going to take place for the second time at the well-known **Café Landtmann**. Known as “the most beautiful Café of Vienna”, it is the perfect atmosphere to end the CEMS Waltzing Days.
